Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 13 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Mostly dry and cloudy, with some sunny spells in between.

Today:
Apart from the odd shower, a dry and cloudy day for most with some sunny spells in between. Clouds thickening during the day but the skies will clear up by the evening for some longer sunshine. Maximum temperature 22 deg C (72 deg F).

Tonight:
Remaining dry and fine for the evening. Slightly cloudy with some clear spells. Turning cloudier with some patchy light rain arriving in early hours. Minimum temperature 9 deg C (48 deg F).

Saturday:
Any rain from the early morning gradually clears to give a brighter start for most. Bands of clouds slowly move in from the west but likely to stay dry. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Often cloudy with some sunny spells throughout the period. Showery on Sunday, turning drier into next week. Breezy on Monday and Tuesday.
